

**Introducing...**

### ***Jason Hyde-Hills***

“Enthusiasm”; “infectious energy”; “positive, can do attitude”; “innovative” - these are just some of the things people are saying about Jason Hyde-Hills.

Jason Hyde-Hills’ honesty, reliability and professionalism have been praised by clients who have found his approachable yet market astute style the key to a successful real estate outcome. Having the ability to build lasting and trusted working relationships with people enables Jason to excel in the competitive Tauranga market place.

His relaxed, easy-going nature immediately puts people at ease when they are contemplating selling their biggest asset—their home. He works with empathy, tenacity and integrity to optimise opportunities for his vendors and to match prospective buyers with properties which meet their needs, goals and wants.

Jason's lateral thinking, smart negotiating skills and respectful demeanour are cementing his reputation as one of Real Estates "Good Guys". His ability to keep his clients’ stress levels down while treading the fine line of a successful property negotiation, Jason says deal making is what keeps him fired up. Leaving his ego at the door, Jason is backed by the forward thinking Crockford brand with the emphasis on maximizing values for clients through an uncompromising service.

Having over 15 years of sales and marketing under his belt and an enduring interest in property design and renovation, Jason understands the key elements of successfully marketing your home, in order to achieve maximum value from his wealth of experience.

A dedicated family man with a keen interest in outdoor sports including surfing, golf, cricket and fishing. This is the perfect combination for a relaxed healthy lifestyle that Tauranga provides and where Jason feels he is "Living The Dream".

When contemplating the Real Estate decision contact Jason, he can give you the best advice so you can achieve your objectives.

If you want an unprecedented level of personal service and the best possible result call Jason now!
