Tanya began Real Estate in 1991 and is a full time professional who applies her 27 years of superior talents and skills to marketing and selling properties in the Bay of Plenty.

Crockford Real Estate is an independent company offering more flexibility than the rigid perimeters set by franchised companies. Tanya's clients are empowered by being able to select their own tailor-made style of marketing, choosing for themselves whether they want open homes or signage, and opting for the best form of communication to suit them. Commission Fees may also be negotiated.

"Personally, for much of my career in real estate I have specialised in selling first homes and investment properties having extensive experience with tenants, landlords and property managers. I enjoy meeting people from all walks of life and I think I've just about seen it all! If you are having difficulties with your 'colourful' tenants, then I most likely am the salesperson for you 😊.

I have been married to Kevin for 28 years and we have a daughter studying teaching at Uni, plus am blessed with a beautiful extended family too.

For confident, straight forward advice, delivered with integrity at all times, then please contact me to sell your property for you."
